

# *Save the Date!*

## **2010 CALIFORNIA CLINICAL ASTHMA SUMMIT**

Tuesday, June 29, 2010

8:30 a.m. - 4:00 p.m.

At The California Endowment's

*Center for Healthy Communities*

Downtown Los Angeles, CA

### **Featuring:**

- Keynote, plenary, and breakout interactive sessions led by asthma experts highlighting clinical best practices and effective models for providing quality asthma care and improving health outcomes for people with asthma.
- Planned topics include: implementing NAEPP Guideline-based care for children and adults; utilizing office-based spirometry, prevention and management of work related asthma; identifying and responding to cultural barriers affecting asthma care.
- Summit planners have applied for continuing education units (for a variety of health care professionals) for this event.

### **Who Should Plan to Attend?**

Health care providers, public health providers, and community asthma stakeholders are invited to attend.

### **Additional Information:**

Registration: Basic fee \$50.00/Additional \$25 fee for continuing education credits. Summit details and online registration will be available beginning on March 15, 2010 on the California Asthma Public Health Initiative's website: [www.betterasthmacare.org](http://www.betterasthmacare.org).

*Hosted by the California Asthma Public Health Initiative (CAPHI), a program within the California Department of Public Health (CDPH). The 2010 California Asthma Summit Planning Committee includes representatives from the American Lung Association in California, Asthma & Allergy Foundation (California Chapter), BREATHE California of Los Angeles County, California Asthma Public Health Initiative/CDPH (CAPHI), California Breathing/CDPH, Work-Related Asthma Prevention Program/CDPH, and Regional Asthma Management and Prevention (RAMP).*
